

## Poster and e-Poster Presenter Guideline

- Presenting authors must register **FNM main program** for and attend FNM2024 in person to present their abstract at the Queen Sirikit National Convention Center (QSNCC) on 7-8th November 2024.
- Poster presenters are responsible for printing their posters. FNM2024 will not offer a poster printing service. Those unable or unwilling to print at home are encouraged to use local print shops in Bangkok.
- FNM2024 and convention center staff cannot accept packages for poster presenters. Do not ship your poster directly to the convention center, as shipments will be refused.
- You may enter the Poster Hall on the Second Floor, QSNCC, starting at 7 AM on November 7, 2024 to hang your poster. Go directly to your assigned poster board, where sticky tape and a poster presenter ribbon will be available.
- Each poster board is assigned a number corresponding to the program listings. Use the board that matches your **poster number, not your abstract number**—for example, PP001.
